

A hierarchical collection of political/economic regions for analysis of climate extremes: Supplementary material B (WRAF0.1-v4.1)

Dáithí A. Stone

Received: date / Accepted: date

Abstract This document lists the WRAF0.1-v4.1 regions, of approximately 0.1Mm² size, developed in the manuscript titled “A hierarchical collection of political/economic regions for analysis of climate extremes”.

This material is based upon work supported by the U.S. Department of Energy, Office of Science, Office of Biological and Environmental Research, under contract number DE-AC02-05CH11231.
